School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Summit Charter Academy (SCA) is located in the west side of Porterville, California in rural Tulare County, in the heart of the San Joaquin Valley. The district consists of nine school sites: four K-6 campuses; one 7-8 campus; SCA-Mathew, which is a K-5 dual immersion campus; SCA-Lombardi, which is a K-5 International Baccalaureate School; Summit Charter Intermediate Academy is a 6-7 International Baccalaureate Candidate School; and Summit Collegiate Charter Academy (SCCA), which is a 8-12 International Baccalaureate-Early College High School. Summit Charter Academy is a WASC accredited school. Summit Charter Academy also offers a K-8 homeschooling component. Current enrollment is approximately 2,200 students in grades TK-12. Burton School District Mission: The Burton experience will prepare students to be college and world ready. Summit Charter Academy allows students to explore the world before them as the staff challenges each student to rise to the pinnacle of physical, artistic, and intellectual awareness. The Charter School educates students of the Burton District to demonstrate a firm commitment to their community, exhibit strong personal character, critically analyze information, and communicate articulately. Summit Charter Academy is committed to developing critical thinkers and problem solvers who value the perspectives and cultures of the global community. This charter school delivers a rigorous transdisciplinary curriculum. In addition, the school focuses on these specific program areas:

- 1) Acquisition of a Second Language:(Parent Choice) Our program includes a dual language model with students learning in both Spanish and English or an English program with the opportunity for Spanish enrichment. The goal is for students to attain advanced levels of functional proficiency in two languages and to promote understanding of and appreciation for the cultures represented by the languages studied.
- 2) Integrated Fine and Performing Arts with Academics: The arts contain a rich body of knowledge that will aid all students in understanding the world around them and enhance their learning in all academic areas. It is the goal of the school that students be offered an art-enriched environment that encourages students to make connections and judgments that validate their learning.
- 3) Experiential/Project-based Learning: We will provide students with the opportunity to proceed through standards based curricular areas by working collaboratively or individually on projects that reflect their individual needs.
- 4) International Baccalaureate: Summit Charter Intermediate Academy is an IB school with the Middle Years Programme and Summit Charter Lombardi is an IB school with the Primary Years Programme.
- 5) Technology infused into curriculum delivery and student learning. Each TK-5th grade class has at one iPad for every students. All 6th through 8th grade students have iPads and all 9th-12th grade students have Macbook Air devices. Beginning in 6th grade, students take their devices home as well as using them during the instructional day.
- 6) Parental support and involvement at school, at home, and in the community: Parents are meaningfully involved in supporting the school and their student's education. The Student Learning Outcomes state that Summit Charter Academy students are of high character who value collaborating with others to think critically about the problems our world faces.

Working collaboratively with others, SCA students develop creative ideas and innovative solutions to these real world problems. People of Character Demonstrate responsibility in their academic and social interactions Show respect towards others and themselves Display confidence and motivation, Have goals for their future Critical Thinkers, Identify problems in the real world and create solutions through inquiry and Develop creative ideas and seek innovation, Take risks and view mistakes as opportunities for growth, Are active participants in the changing world around them Global Citizens Appreciate the cultures of others, Work well with diverse populations and Use technology as a tool to connect to the international community, Understand their individual responsibility to nature and our environment Collaborative and Collaborate with peers with open mindedness, Use collaboration as a tool to achieve their goals, Communicate through a variety of medias, Effectively read, write, listen and speak while learning and collaborating Work to bridge barriers culturally, geographically and linguistically. SCA Mathew is staffed with one principal, one vice-principal, 23 regular classroom teachers, and one part time Resource Specialists. All kindergarten classrooms receive part-time instructional aide services. Other classified employees include: eight part-time intervention aides, two part-time special education aides, a full-time custodian, one full-time secretary, one part-time clerk, and one part-time Library Technician. Additionally, the school receives services from a district nurse and a district School Psychologist. Fourth and fifth grade students are also provided instruction from a district instrumental music teacher and one physical education teacher. The Mathew Campus implements The Character Counts! Program, and its six pillars (Trustworthiness, Respect, Responsibility, Fairness, Caring, Citizenship) are instilled in students and staff. Each month one student from each class is recognized for being a leader and an example of good character. The school community is also involved in service projects inspired by a dedication to helping others. Service projects such as canned food drives and recycling are examples of just two of the ways that students and staff are giving back to the community. The Mathew Campus is equipped with desktop computers in classrooms, in the library, and in the office. Each permanent classroom is equipped with a 70 inch smart TV. Staff and students have access to a 21st century classroom with 7 smart TV's, green screens, and video recording iPad. All K-5 classrooms have a set of iPads; one for each student. All have access to the internet. Three classrooms are equipped with Smartboards. Telephones with outside access are available in all classrooms.

Electronic networking is in place at our school. Burton School District and Summit Charter Academy websites are in place and enable parents and community to keep in touch with our school. SCA Lombardi is staffed with one principal, one vice principal, 1 part-time IB Coordinator, twenty-three regular classroom teachers, one full-time Spanish teacher, and one full-time Resource Specialist. All kindergarten classrooms receive part-time instructional aide services. Other classified employees include: five part-time intervention aides, one part-time ELL/Migrant aide, a full-time and three part-time custodians, one full-time secretary, two part-time clerks, three part-time Special Education aides, and a part-time Certified Library Technician. Additionally, the school receives services from a district nurse and a district School Psychologist. Fourth and fifth grade students are also provided instruction from a district instrumental music teacher and a physical education teacher. SCA-Lombardi is equipped with desktop computers in the office. Students have access to a 21st Century Classroom equipped with 6 portable TVs, rolling whiteboards, and a large mounted TV. All K-5 classrooms have a set of iPad devices (1 for each student). Two classrooms are equipped with Smartboards and all classrooms have either mounted LCD projectors or portable flat-screen TVs, Apple TV devices, and document cameras. The school website, social media accounts, marquee, and Blackboard are used to communicate with parents and the community. Teachers also use the Seesaw app and Remind app to communicate classroom events with families. The Lombardi Campus is an International Baccalaureate (IB) school. Through the IB Primary Years Programme, we are teaching students to be knowledgeable, inquirers, open-minded, risk-takers, balanced, reflective, caring, principled, thinkers, and communicators. Project-based learning, Spanish enrichment, and literacy units (reading, writing, and discussing) are focal points of the IB programme. IB School Pledge for the Primary Years Programme: We, as an official authorized IB World School, promise to foster inquiry, embrace global citizenship and encourage empathy towards all. We do this in a way that allows us to inquire and understand others through their language, culture, and points of view. We will live by the I.B. attitudes and attributes, so that we will proudly represent ourselves as part of the I.B. Organization. IB Student Pledge for the Primary Years Programme: I pledge to be an open-minded thinker; to do my best to have a healthy, caring attitude. I will be committed to learning through inquiry and showing enthusiasm each day. I believe that quality and creative work equals success.

I can use my knowledge and curiosity to be successful in the world. Summit Charter Intermediate Academy is staffed with one principal, one vice principal, 1 part-time IB Coordinator, one part time academic counselor, 14 regular classroom teachers, 4 part time teachers, and one full-time Resource Specialist. Every high school student has been issued a Macbook Air and every junior high student has been issued an iPad. There are Wi-Fi devices available for students who need home internet access. The school website and phone system are used to communicate with parents and the community. The Collegiate Campus is also offering a College Express Pathway which provides students the opportunity to earn up to 68 college credits and an AS degree in Business Administration from Porterville College by the time the graduate from high school. The high school and college are working together to provide opportunities through concurrent enrollment, dual enrollment and articulated courses to provide students multiple opportunities to earn college credit. The entire staff at Summit Charter Academy is committed to providing the best education possible to its students. We believe that all students can succeed regardless of their race, background, or ability. To that end, we strive to provide a nurturing atmosphere that encourages our students to try their best daily without fear of failure. Summit Charter Academy is a place where excellence is stressed, both in academics as well as in all aspects of life. At our school, each student is recognized as a special person who can make valuable contributions to our future world.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the Director of Maintenance, Operations and Transportation, along with the site administrator, annually inspects our school site. Safety hazards, maintenance needs, repairs, etc. are noted and scheduled for repair. District maintenance staff ensures that the repairs necessary to keep our school in good repair and working order are completed in a timely manner.

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior, and exterior painting, and flooring systems. The district uses School Dude system to report any facility concerns.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year) Year and month of the most recent FIT report: December 2018

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	37.0	47.0	32.0	39.0	48.0	50.0
Mathematics (grades 3-8 and 11)	28.0	33.0	23.0	27.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Career Technical Education Programs (School Year 2017-18)

Summit Charter Academy offers a career themed program in Agriculture and Business. The programs are available to students that are interested in the programs. Students are also offered a full range of learning experiences including guest speakers, field trips and volunteering opportunities. Both College and Career opportunities are emphasized in the programs.

Course Offerings:

Agriculture

- Introduction to Agriculture
- Agriculture Biology
- Plant Science
- Soil Science

Business

- Introduction to Business
- Business Law

All of the above-listed courses incorporate state-adopted CTE model curriculum standards, and meet district graduation requirements.

Courses are evaluated through student work, assessment, student performance, attendance and student success in the program courses.

Career Technical Education Participation (School Year 2017-18)

Measure	CTE Program Participation
Number of pupils participating in CTE	129
% of pupils completing a CTE program and earning a high school diploma	N/A
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	60%

2016–17 Graduates Who Completed All Courses Required for UC/CSU Admission	47.1

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	16.8	24.3	29.2

9	14.8	19.4	31.5

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Family involvement is integral to the educational process: Parents are critical to the successful education of their children. Summit Charter Academy will provide parents with ample opportunities for meaningful connections with their children's school experiences. Parents will be included in the discussions and governance of this school as well as a personal connection and a voice in how their children will be educated. Demonstrating strong parent involvement sends a powerful message to students. Children from all socioeconomic communities and their parents are invited to be active and vocal partners in education. Therefore, with strong parental involvement and support, we will meet the extraordinary levels of student success that we envision. This communication can be accomplished by: *School site meetings (Back-to-School, conferences, celebration events, etc.) *Development and implementation of Individualized Learning Plans for students with special needs * Email *Telephone access *Access to Aeries online *Seesaw/Remind App *Newsletters and notes home *Website access *District App *PIQE (open to families of students in grades 7-12). Parents as supporters on the school site: All parents are encouraged to provide 30 hours of their time each year in service to the school. The types of work will be highly varied and personalized so that each parent can choose any number of ways to contribute his/her time to their family's school. Parents as part of the school's governance council: Parents will serve on the school's Board of Directors. Parents also serve on the district's LCAP committee to assist in developing the Local Control and Accountability Plan for Summit Charter Academy.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State

School Safety Plan (School Year 2018-19)

Summit Charter Academy strives to provide and maintain a safe, clean and orderly environment that is conducive to learning. Staff members provide student supervision before school (7:45-8:15) as well as during morning and lunch recesses. The Board of Directors has adopted a School Safety Plan with attention to school climate and environment. Included in this plan is a Safe Route to School for all students. The plan was written with staff and parent input and approved by the Board of Directors and Board of Trustees. This plan is updated yearly or as needed with the assistance from the Transportation Department to insure safe walking access to and from school. A Crossing Guard is in place in front of the elementary campuses in order to safely cross kids prior to the start of school and at the end of the school day. Additionally, both the district staff and teachers have reviewed and implemented an Action Plan for Emergency Preparedness which includes plans for dealing with fire, flood, fallen aircraft, earthquake, chemical accident, windstorm, bomb threat, civil defense, and imminent danger. Fire drills are conducted and recorded once a month. The plans are living documents and are refined and adapted as needed to provide safety for all on the campus. A copy of the emergency plan has been shared with the Porterville Police Department. The Capturing Kids' Hearts Program is utilized to promote a safe and positive school environment. In addition, the Character Counts program is utilized at the Mathew Campus and the IB Learner Profile traits (character traits) are taught at Summit Charter Intermediate Academy and the Lombardi Campus. For the safety of our students, all volunteers are fingerprinted and cleared through the Department of Justice. Appointments are made with the school secretary.

Types of Services Funded (Fiscal Year 2017-18)

At Summit Charter Academy, expenses for all educational services include teachers, instructional aides, books, supplies, equipment, nursing and counseling services, and administration. While the majority of Summit Charter Academy's budget is made up of general funds, the school also receives LCAP funds as determined by the LCFF funding formula to supplement the general education program. To ensure that the educational needs of all students are met, including those with special needs, programs are funded through state and federal program funds, which consists of supplemental and concentration grants. Summit Charter Academy's site plan coordinates programs to meet the needs of individual students. A number of additional services are provided for students in the Burton School District. Bus transportation is provided for students who live outside the Safe Route to School walking distance if they are within the school district boundaries. Our district Special Education program provides supplemental instructional services for both identified and informal students. Our school breakfast and lunch program is provided district wide. Summit Charter Academy provides a variety of services above and beyond regular classroom instruction. Our part-time psychologist provides assistance for students' emotional needs or other types of help. Our part-time school nurse and nurse aide provide emergency medical attention as permitted by law, as well as health education for both students and staff. Other services funded and provided are RSP specialists at each site, physical education teachers, kindergarten aides, and intervention aides, among others. Summit Charter Academy funds a Dual Immersion program as well as the International Baccalaureate Primary Years Programme and Middle Years Programme.

Professional Development (Most Recent Three Years)

Two of the most powerful methods for improving school performance are analyzing student work and performance and identifying best practices. These activities require staff members to examine their practice carefully in relation to the progress that their students make toward the standards. Our professional development program includes regular opportunities for our staff to meet and engage in professional conversations about student work, what proficiency with the standards looks like, and how to improve their teaching. At Summit Charter Academy we consistently use data to make informed decisions and to monitor the academic progress of our students at all achievement levels. At the beginning of the academic year, student's benchmark and ELPAC scores are used to assess proficiency levels and areas of need. These assessment results are also utilized to set SMART goals at each grade level. Student progress and achievement towards these goals is constantly monitored through the Professional Learning Community process. Teachers and support staff meet weekly in "achievement teams" to use data to collaboratively review instructional results, monitor students' progress and make informed decisions about future program and instructional practices. During achievement teams, teachers identify students by name and determine the best instructional strategies to be utilized to meet the individual needs of the students. Focus standards are identified per grade level and are monitored to ensure student progress. Use of grade level common formative assessments (short cycles) aligned to the common core state standards also help teachers to monitor student progress towards meeting the identified focus standards. With the International Baccalaureate Programme, formative, summative, and self-assessments are incorporated throughout the curriculum. Classroom assessments serve different purposes at different times. Formative assessments deliver information during the instructional process and provide information to be used to plan the next stage of learning. Summative assessments measure students' understanding of the central idea and prompt them toward action. Students engage in peer and self-assessment and reflect on their learning during the entire process of learning. Students are active participants in creating components of assessments. There are a range of strategies for formative and summative assessments, such as projects, reports, presentations, journals, portfolios, and written and oral tests. Teachers and support staff have many opportunities for staff development through our district Professional Academy of Learning and Leadership, such as literacy training, project-based learning training, classroom management training, and thinking maps training. All 7th-12 grade math teachers have received professional development from the Tulare County Office of Education on the common core math standards in order to fully understand the standards and learn effective instructional strategies for teaching math. All teachers have the opportunity for training and coaching through the Instructional Technology Department to provide technology instruction for 21st century learning. One of the most effective levels of support provided to teachers is the weekly collaboration time focused on the professional growth of teachers and learning for all students. The Burton School District provides coaching to all new and non-tenured teachers, as well as to teachers who need support in a specific area. Administrators also serve as curricular coaches via classroom observations and discussions. All administrators were trained in "Cognitive Coaching" to better their skills in instructional coaching. Professional Development is an important on-going process utilized by staff to develop stronger strategies and teaching practices.
